### *What is the Kings Park Education Foundation?*

The Kings Park Education Foundation is a non-profit, tax-exempt entity with a Board of Trustees committed to attracting, managing and distributing monies and resources to implement educational programs and projects. The Board of Trustees includes community members, the PTA and school district staff.

### *How does the Foundation help students of the Kings Park School District?*

The state's rising educational standards have created a need for additional resources for students in Kings Park. The Foundation will allow the provision of enriching and enhancing academic, recreational and cultural experiences for our students without affecting taxes.

### *How will the funds be used?*

The funds raised by the foundation will be used solely for educational activities and infrastructure enhancements within the Kings Park Central School District.

In 2007 the foundation donated:

- ◆ Proxima Projectors for Science Department
- ◆ Assorted Musical Instruments for Music Department
- ◆ Smart Board for New Pilot Program
- ◆ Digital Video Equipment
- ◆ Pitching Machine for Athletics Department

These donations were made possible by generous contributions of time and money from people like you. The Board of Directors of the KPEF would like to extend a heartfelt "thank you" to all those who make Kings Park a better place to live and learn.
